# AP<sup>®</sup> School Summary with Comparable Groups (2018)

This report compares the AP scores at your school to comparable groups, overall and by individual subject. Comparisons also include total number of exams, mean score, standard deviation, and number of schools per exam for each group.

✔ Data Updated Sep 19, 2018, Report Run Oct 4, 2018

\* The scores, total number of exams, mean score, and standard deviation for each comparable group represent all exams taken by students in that group. Therefore, data for exam subjects not offered at your school may still be included in the Total Exams column.

This table shows the total number of students, by education level, who took AP Exams at your school. If you apply filter options to customize this report, the data in this table will not change. It is available in each school summary report as a reference.
