

## ONLINE CLASS OPTIONS

Online classes can be a great option for many students to take classes during high school — courses can be for make up or original credit. Please note that students will need access to a computer, reliable internet and about 3-4 hours a week per online class for successful completion. All classes on CVHS require a proctored final.

Students may take Online Learning Lab during the school day to work on their online class if there is space or arrange for release time from school to work on their class at home.

### Canyons Virtual High School

[cvhs.canyonsdistrict.org/](http://cvhs.canyonsdistrict.org/)

1. See your counselor to sign up
2. Free if it is replacing a class during your school day (Including Release Time Seminary or Online Learning Lab) or \$35 if you are taking an 8 period day or a make-up class. Fee waivers may apply.
3. **Go to [cvhs.canyonsdistrict.org](http://cvhs.canyonsdistrict.org) —**
  - Click on “Take a Course” then scroll down to #1 under “How to enroll in an online course”
  - Go to “click this link” then start registration for new students or login for returning students.
  - Fill out the registration form.
  - Write comments in the box if there is no fee — example — release time period. If you have a fee you pay this on your skyward account (switch from JHS to CVHS in the arrow next to your name)
  - **You must complete the CVHS orientation course before you are enrolled in a course.** Go to [CVHS.canyonsdistrict.org](http://CVHS.canyonsdistrict.org) and click on the “Student Orientation Link” tab.
  - When you complete the orientation, click on the “Help!” tab at the top of the [cvhs.canyonsdistrict.org](http://cvhs.canyonsdistrict.org) home page and submit a help ticket saying you have completed the Orientation Course.

There are test out options for core classes. Tests may only be attempted once per school-year. Students may register for up to 4 courses at a time and may only select 1 quarter of each course. Students must be approved for these classes or test outs by their counselor.
